

## Amplexor Overview

Region 4 has publicly awarded a competitively solicited cooperative purchasing agreement to Amplexor ([contract #R180701](#)). OMNIA Partners, Public Sector participants can use Amplexor's translation services to remove language barriers with any target audience.

With more than 30 years of language translation experience, Amplexor can help you bridge communication gaps in over 220 languages (and counting).

## Language Translation Solutions

### Easy

- Easy on-boarding and request processes simplify translation projects
- Over 40 offices across the globe ensure dedicated project management teams and 24-hour customer support throughout the project life cycle
- Transparent processes are easy to monitor and require little management from your team
- Any project size or complexity – from ad-hoc projects to ongoing translation programs
- Translations delivered in any format, from Microsoft Office documents, to websites, to complex AV files

### Accurate

- Teams of highly qualified, in-country linguists with industry-specific expertise deliver precise translations in over 220 languages (from Amharic to Zulu!)
- ISO 9001 approved language quality system ensures the highest level of translation quality
- Measurable milestones provided for each project to ensure deadlines are met
- Robust, quality-score-carding system provides project quality metrics

### Fast

- Flexible teams respond quickly to your project requests and requirements
- Easy-to-understand quotes enable faster decision making
- Quick turnaround times of translation projects save you time and money

### Affordable

- As a valued OMNIA Partners Participant – you benefit from discounted pricing!
- No ongoing subscription or licensing fees.
- Continuous cost savings through use of our industry leading technology
- Solutions and programs scale to support any budget
