Anixter support documentation for contract update request.

Vendors/Brands: Anixter would like to offer our full catalog based on the following caveat:

- Brands in which manufacturer provides a Published List price for material, discount range of 0-10%
- All other brands offered with no list price will be quoted based on Standard Market Price

Anixter's Manufacturers can be found here: https://www.anixter.com/en_us/manufacturers.html

Reseller Adds: Anixter's current Contractors/Integrators in good standing are allowed to use their National IPA Vehicle

Anixter does not have a dedicated page of their current Integrator partners however they would like to offer a dedicated IPA page as they have for some other contracts in which they can maintain/update in 24 hrs.

Here is an example:

https://www.anixter.com/en_us/resources/government/stateandlocalgovernments/txdir/dir-tso-4247.html

As you can see, they have the ability to list their partners and hyperlink to the master National IPA page.
