

BCI Burke Company, LLC
TCPN Contract R170301
Amendment Request

The parties agree at times services not provided by BCI Burke Company and products not manufactured by BCI Burke Company are necessary to complete a project. Such services and products are required from BCI Burke Company Representatives (“Representative”). In the event a Member’s project requires Representative’s products or services, BCI Burke Company, will provide Representative’s invoice to document the Representative’s cost and Member will be responsible for the actual Representative’s cost.

These supplemental services and products will be limited to 30% of overall cost of the project. Member and BCI Burke Company may negotiate a different percentage based on project requirements.
