Keep your business prepared and **Ready™** to respond

Managing first aid and safety supplies is critical but it can also be time-consuming; however, preparing for minor injuries and managing personal protection equipment inventory doesn't have to be a major headache. Cintas First Aid & Safety takes care of the details, providing the service you need to be sure products you've selected are always stocked; and that means you can turn your attention back to business.

FIRST AID SUPPLIES

A fully-stocked first aid cabinet starts with quality products delivered on a regular schedule by your Cintas First Aid and CPR-certified professional. Custom-fill your first aid cabinet with a wide selection of bandages, gauze, antiseptics and ointments, pain and illness tablets, burn care and much more. It's crucial to prepping your business for employee injury and illness.

SAFETY SUPPLIES AND PPE

Protect your employees from head to toe. From hard hats and ear plugs to safety glasses and gloves, count on Cintas to help you keep safety supplies and PPE you select organized, inventoried and available with products from leading manufacturers as well as our own private label.

AED PRODUCTS AND SERVICES

Are you prepared for a cardiac emergency? Count on our AED products and services that include industry-leading devices, installation, program management and medical direction. You'll also receive professional onsite service — which includes checking your pads and batteries for expiration.

TRAINING AND COMPLIANCE COURSES

Keep your employees' safety preparedness up-to-date by choosing from a variety of training solutions. You can mix and match any combination of more than 350 classes, with on-site, online and DVD courses — including access to our online safety management tool — to meet your training needs.

For more information to get started contact Cintas at OmniaPartners@cintas.com. Contract #**R-BB-19002**

Pursuant to OSHA regulations, 29 CFR 1910.132 (Subpart I), an employer bears sole responsibility for selecting the type(s) of personal protective equipment to be used by its employees. All purchasers of gloves and personal protective equipment from Cintas bear full responsibility for selecting the PPE appropriate for use by their employees. Cintas makes no representation, warranty, or covenant with respect to the protective or flame-resistant qualities of the items or with respect to the fitness or suitability of the items for any particular use or purpose. The purchase of any goods or services from Cintas is subject to Cintas's Standard Terms and Conditions and/or any other applicable written contract executed between the purchaser and Cintas relating to such purchase.

Depending on the nature and location of the worksite, federal, state, and local regulations may require that employers offer specific training to their employees. Employers or businesses have sole responsibility to examine their operations to determine the type of training that is required or appropriate. Cintas does not provide recommendations or guidance regarding which safety and training programs are required or appropriate. The services are provided for educational purposes only.
