OMNIA Partners and Connection® Public Sector Solutions Provide Cost Savings, Computer Systems, and Peripherals

OMNIA Partners is a national government purchasing cooperative that is able to leverage the purchasing potential of governmental entities in all 50 states. This means members receive equal pricing for the smallest entity to the largest buyer. All OMNIA Partners contracts are competitively bid, evaluated, and awarded by a government entity serving in the lead agency role. OMNIA Partners contracts are available for use and benefit public and private schools, colleges and universities, cities, counties, non-profits, and all governmental entities.

Connection specializes in fulfilling the unique IT needs of educational, state, and local institutions from design to deployment. Our extensive experience managing contracts provides the expertise and knowledge to adequately address the various needs facing IT procurement professionals. We employ a variety of purchasing mechanisms to fulfill customer requirements efficiently. This results in accurate departmental billing and shipment support documentation.
