**NOVETTA INC.  
END USER LICENSE AGREEMENT**

This End User License Agreement (the “Agreement”) is entered into as of [INSERT DATE] (the “Effective Date”) by and between Novetta Inc. (“Novetta”), having a place of business at 7921 Jones Branch Drive, Suite 600, McLean, Virginia 22102 and [INSERT CUSTOMER NAME] (“Licensee”), having a place of business at [INSERT CUSTOMER ADDRESS].

WHEREAS Novetta has developed, exclusively at private expense, certain proprietary and copyrighted computer software (the “Software,” as further defined below);

WHEREAS Novetta has offered the Software for license to the general public;

WHEREAS Licensee desires to license the Software for its internal business use;

WHEREAS Novetta desires to grant a license to the Software upon the terms and conditions set forth herein.

NOW THEREFORE, in consideration of the mutual covenants and conditions contained in this Agreement, and for other good and valuable consideration, the parties hereby agree as follows:

1. **Definitions.**

1.1 “Authorized Use” means Licensee’s use of the Software in object code form, solely for Licensee’s internal use in connection with the programs and/or organizations identified in Schedule A of this Agreement, and strictly in accordance with the terms and conditions set forth herein. Authorized Use does not include (a) Government-wide or agency-wide use of the Software; (b) the right to resell or sublicense the Software to any third party for any purpose, whether in object code form or otherwise, or to authorize others to do so; or (c) the right to modify, decompile, reverse engineer, reproduce, release, perform, display, create derivative works from, or disclose the Software to any third party, or to authorize others to do so.

1.2 “Intellectual Property Rights” means all inventions, patents and patent applications, works of authorship, copyrights, trademarks, know how, show how, trade secrets, and other similar proprietary rights, throughout the world, whether arising under federal law, state law, common law, foreign law, or otherwise.

1.3 “Materials” means the user manuals and supporting documentation (if any) provided to Licensee by Novetta in connection with the Software, whether in printed or electronic form, and including, without limitation, the user, system, help, and installation documentation for the Software and any training materials provided in connection with the Software.

1.4 “Software” means the software set forth in **Schedule B** attached to this Agreement. The Software includes only object code and does not include any corresponding source code.

## 2. **Grant of License.**

2.1 Subject to and conditioned upon Licensee's compliance with the terms and conditions herein, Novetta grants Licensee the following limited, non-exclusive, non-assignable, non-sublicensable, non-transferable license to the Software during the Term of this Agreement:

(a) The rights to (i) make Authorized Use of the Software subject to all the terms of this Agreement; (ii) to use the Materials solely for purposes of supporting Licensee's Authorized Use of the Software; and (iii) to install, integrate, and implement the Software or to have third parties (*e.g.*, systems integrators) do so for the Licensee.

(b) The right to use any Application Programming Interfaces ("APIs") provided with the Software solely to create interfaces between the Software and any modules or extensions developed by Licensee.

(c) The right to create a limited number of copies of the Materials as reasonably necessary to support its users in making Authorized Use of the Software.

2.2 **License Restrictions.** The rights granted in Section 2.1 are subject to and conditioned upon the following restrictions:

(a) Licensee may not reverse engineer, disassemble, decompile, or otherwise attempt to derive the source code of the Software in whole or in part.

(b) Licensee may not use Proprietary Information, including ideas, algorithms, procedures, object definitions, methods, class definitions, templates, or hierarchies, derived from the Software for the purpose of creating any works that are intended to be used as a substitute for the Software in whole or in part.

(c) Licensee may not modify or make any derivative works of the Software and/or Materials.

(d) Licensee may not use the Software for commercial time-sharing, rental or to train persons other than its authorized users, unless previously agreed to in writing by Novetta.

(e) Licensee may not use the Software in conjunction with any other software in violation of the terms and conditions of such other software.

(f) Licensee may not make available or distribute the Software or Materials in whole or in part to any third party by assignment, sublease, or by any other means.

(g) With regard to copies of the Materials made pursuant to Section 2.1(c) above, (i) Licensee shall only make exact copies of the versions as originally delivered by Novetta; (ii) Licensee shall ensure that each copy contains all titles, trademarks, copyright notices, restricted rights notices, and any other proprietary markings as in the original; and (iii) all such copies shall be subject to the terms and conditions of this Agreement.

2.3 No Source Code License. Licensee acknowledges and agrees that the license granted hereunder extends to the Software in object form only, and that nothing in this Agreement shall be construed as granting any license whatsoever to the underlying source code that is used to generate the Software.

2.4 No Implied License. All rights not expressly granted to Licensee in this Agreement are reserved.

(a) Without limiting the generality of the foregoing, Licensee acknowledges and agrees that it does not acquire any rights, express or implied in or to the Software and/or Materials except as specifically set forth in this Agreement.

(b) Under no circumstances should anything in this Agreement be construed as granting to Licensee or any third party, by implication, estoppel, or otherwise: (i) a license to any technology other than the Software and Materials or (ii) any additional license rights for the Software and Materials other than the license expressly granted in this Agreement.

2.5 Assignment. Except as otherwise provided herein, neither this Agreement nor any rights granted hereunder may be sold, leased, assigned, or otherwise transferred, in whole or in part, by Licensee, and any such attempted assignment shall be void and of no effect.

2.6 Verification and Audit.

(a) Licensee is responsible for implementing reasonable means to monitor its compliance with the terms of this Agreement and shall maintain complete and accurate records sufficient to demonstrate the same.

(b) Novetta shall have the right to require, by written request no more than once annually, that Licensee certify its compliance with the terms of this Agreement.

(c) Novetta shall have the right to audit Licensee's use of the Software no more than once annually at Novetta's expense. Novetta shall schedule any audit at least thirty (30) days in advance. Any such audit shall be conducted during regular business hours at Licensee's facilities and shall not unreasonably interfere with Licensee's business activities. Novetta will reimburse Licensee for all of Licensee's costs for any such Audit.

2.7 Not A Sale. The parties agree that this is a license and not a sale of the Software and that the Software, and all rights therein, including, without limitation, all Intellectual Property Rights, are and remain Novetta's sole and exclusive property.

### 3. Third Party Equipment and Software.

3.1 Licensee agrees that it shall obtain, at its own cost, any third-party equipment and software licenses necessary or appropriate to use the Software as permitted by this Agreement. Except as otherwise agreed in writing, Novetta shall have no obligation to obtain or provide any third-party equipment or software.

3.2 Licensee acknowledges that the Software may include third party software, including open source software. Licensee acknowledges that this Agreement permits Licensee to use such third party software only in connection with its use of the Software as permitted by this Agreement and that this Agreement does not permit Licensee to use such third party software on a stand-alone basis or integrate it with any other software or device.

4. **Initial and Renewal Terms**. Subject to and conditioned upon Licensee's payment of the Initial License Fee, this Agreement shall be effective as of the Effective Date and shall remain in force for twelve months from such date (the "**Initial Term**"), unless terminated sooner in accordance with the provisions of Section 5 of this Agreement. Thereafter, this Agreement shall renew and remain in force for successive twelve-month periods (each a "**Renewal Term**" and, together with the Initial Term, the "Term" of this Agreement), subject to and conditioned upon Licensee's payment of the applicable Renewal License Fee, unless terminated sooner in accordance with the provisions of Section 5 of this Agreement.

5. **Termination**.

5.1 If at any time during the term of this Agreement, Licensee defaults in the performance of any of its obligations hereunder, Novetta may terminate this Agreement upon thirty (30) days written notice to Licensee; provided, however, that Licensee may cure such default within said thirty (30) day period, and in the event of cure during such period, this Agreement shall continue in full force and effect.

5.2 Novetta may terminate this Agreement if Licensee (a) admits in writing its inability to pay its debts generally as they become due; (b) makes a general assignment for the benefit of creditors; (c) institutes proceedings to be adjudicated as voluntary bankrupt or consents to the filing of a petition of bankruptcy against it; (d) is adjudicated by a court of competent jurisdiction as being bankrupt or insolvent; or (e) has a decree entered against it by a court of competent jurisdiction appointing a receiver, liquidator, trustee, or assignee in bankruptcy or in insolvency covering all or substantially all of its property or providing for the liquidation of its property or business affairs.

5.3 **Cessation of Use**. Upon termination of this Agreement for any reason, Licensee shall promptly cease using the Software and Materials, and shall promptly return all copies thereof and all other Proprietary Information in its possession or control to Novetta. Licensee shall delete all copies of such materials residing in on-line or off-line computer memory, and destroy all copies of any materials that incorporate Proprietary Information not belonging to Licensee. Novetta shall be entitled to enter the Licensee's premises with the Licensee's escort, and with reasonable advance notice of five (5) days or more, to repossess and remove the Software, Materials, and any other Proprietary Information. Licensee shall, within five (5) days from the effective date of the termination, certify to Novetta, in writing by an officer or director, that all copies of the Software and Materials have been returned, deleted or destroyed.

5.4 **Injunctive Relief**. Each party acknowledges and agrees that its failure to comply with the terms of this Agreement, including the failure to fully comply with the confidentiality obligations set forth in Section 7, is likely to cause irreparable harm to the other party not fully compensable by money damages and therefore the non-breaching party may not have an adequate

remedy at law. Therefore, the breaching party agrees that, in the event of a breach or threatened breach of any of the material terms of this Agreement by the breaching party, the non-breaching party shall be entitled to seek a preliminary and final injunction restraining the breach and/or to seek specific performance, without the necessity of posting any bond or undertaking in connection therewith. Any equitable remedies sought by non-breaching party shall be in addition to, and not in lieu of, all remedies and rights that the non-breaching party otherwise may have arising under applicable law or by virtue of any breach of this Agreement.

6. **Fees.** **Schedule C** attached to this Agreement sets forth the payment terms and conditions for the Initial License Fee and all Renewal License Fees.

7. **Proprietary Information.**

7.1 Each party to this Agreement acknowledges that during the course of the Agreement, one party (the “Disclosing Party”) may disclose to the other party (the “Receiving Party”) certain information and materials that are nonpublic, confidential, and proprietary in nature to the Disclosing Party (“Proprietary Information”). For purposes of this Agreement, “Proprietary Information” means any information that has been created, discovered or developed by the Disclosing Party or that the Receiving Party knows or reasonably should know is in any way proprietary to the Disclosing Party, including, without limitation, any patents and patent applications, trade secrets, know-how, methodologies, computations, algorithms, systems information, technical information, statistics, formulae, software, interfaces, computer code, source code, object code, interface code, mask works, instructions, methods of operation, specifications, materials, plans, hardware, designs, schematics, reports, studies, notes, analyses, summaries, business, marketing, and development plans, client lists and other information regarding clients or client relationships, financial information and projections, corporate opportunities and contacts, compilations, studies, artwork, documentation, and all other related information and materials that contain or reflect in whole or in part any such information or materials, whether prepared by the Disclosing Party or otherwise, and irrespective of the form of communication or media. Proprietary Information also includes the Software and Materials.

(a) Proprietary Information does not include information or materials that Receiving Party can prove (i) are or became generally known or available to the public through no fault of Receiving Party; (ii) were already known to Receiving Party, without restriction, prior to receipt from Disclosing Party, as evidenced by files in existence at the time of such disclosure; (iii) are lawfully disclosed to Receiving Party by a third party who is not under any obligation, whether contractual, fiduciary, statutory, or otherwise, of confidentiality to Disclosing Party with respect to such Proprietary Information; (iv) or are at any time developed by Receiving Party independently and without use of, or reference to, Proprietary Information of the Disclosing Party.

(b) The parties agree that Proprietary Information will be kept confidential and used by the Receiving Party only in connection with this Agreement for purposes of Licensee’s Authorized Use of the Software (the “Permitted Purpose”).

(i) Only employees and authorized representatives of the Receiving Party who need to review the Proprietary Information in connection with the Permitted Purpose may access and view the Proprietary Information; provided, however, that the Receiving Party

shall ensure that such employees or representatives have agreed to be bound, in writing, by the confidentiality provisions no less restrictive than those set forth in this Section 7.

(ii) The Receiving Party will not disclose the Proprietary Information or any portion thereof to any other person or entity without the Disclosing Party's prior written consent. The Receiving Party also agrees that it will protect the secrecy and confidentiality of and avoid disclosure or use of the Proprietary Information, including without limitation, implementing reasonable commercial measures, which the Receiving Party uses to protect its own highly sensitive confidential information.

(c) The Receiving Party acknowledges and agrees that any and all Proprietary Information (including any Intellectual Property Rights therein) is and will remain the sole property of the Disclosing Party. Licensee acknowledges and agrees that the copyright, patent, trade secret, and all other Intellectual Property Rights of whatever nature in the Software and Materials, including any modifications or derivatives thereof are and shall remain the property of Licensor, and nothing in this Agreement should be construed as transferring any aspects of such rights to Licensee or any third party.

(d) It shall not be deemed to be a violation of this Agreement for a party to disclose Proprietary Information pursuant to the order or requirement of a court, administrative agency, or other governmental body with proper jurisdiction; provided, however, that Receiving Party uses diligent efforts to limit such disclosure, endeavors to obtain assurance that confidential treatment will be accorded the Proprietary Information so disclosed, and, if permitted by applicable law or court order, notifies Disclosing Party within five (5) days of receipt of such court order or requirement to enable Disclosing Party to seek a protective order or otherwise prevent or restrict such disclosure.

7.2 Unauthorized Disclosure. The Receiving Party shall notify the Disclosing Party immediately upon discovery of any prohibited use or disclosure of Proprietary Information, or any other breach of these confidentiality obligations, and shall assist the Disclosing Party in minimizing the damage from such disclosure, including, but not limited to, taking steps to recover such Proprietary Information and prevent the further prohibited use or disclosure of the Proprietary Information. Such remedy shall be in addition to and not in lieu of any other rights and remedies the Disclosing Party may have at law or in equity against the Receiving Party or others.

## 8. Warranties and Limitations.

8.1 During the Term of this Agreement, and provided that Licensee is not in default of its obligations hereunder, Licensee shall be entitled to receive, and Novetta shall provide (or cause to be provided) to Licensee, maintenance and support services in accordance with Novetta's then-current Software Maintenance Agreement. Any supplemental software code and/or documentation so provided pursuant to Novetta's then-current Software Maintenance Agreement shall be considered part of the Software and/or Materials and shall be subject to the terms and conditions of this Agreement.

8.2 EXCEPT AS EXPRESSLY SET FORTH HEREIN, NOVETTA DISCLAIMS ANY AND ALL PROMISES, REPRESENTATIONS, AND WARRANTIES, EXPRESS OR

IMPLIED, WITH RESPECT TO THE SOFTWARE INCLUDING ITS CONDITION, THE EXISTENCE OF ANY LATENT OR PATENT DEFECTS, AND ITS MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE, AND INCLUDING ANY WARRANTIES RELATED TO NON-INFRINGEMENT.

8.3 IN NO EVENT SHALL NOVETTA HAVE ANY LIABILITY FOR ANY INCIDENTAL, CONSEQUENTIAL, INDIRECT, SPECIAL, OR PUNITIVE DAMAGES ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT, REGARDLESS OF THE FORM OF THE ACTION, WHETHER IN CONTRACT, TORT (INCLUDING NEGLIGENCE), STRICT PRODUCT LIABILITY, OR OTHERWISE, EVEN IF NOVETTA HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES AND NOTWITHSTANDING THE FAILURE OF THE ESSENTIAL PURPOSE OF THIS AGREEMENT OR ANY LIMITED REMEDY HEREUNDER.

8.4 IN NO EVENT SHALL NOVETTA'S LIABILITY ARISING OUT OF OR RELATED TO THIS AGREEMENT EXCEED THE AMOUNT OF THE INITIAL AND/OR RENEWAL LICENSE FEES PAID BY LICENSEE TO NOVETTA IN THE TWELVE-MONTH PERIOD PRECEDING SUCH CLAIM.

9. **U.S. Government End Users.**

9.1 The Software is "commercial computer software" as that term is defined in FAR 2.101 or DFARS 252.227-7014(a)(1), as applicable, and was developed exclusively at private expense. The U.S. Government acquires this commercial computer software and/or commercial computer software documentation subject to the terms and conditions of this Agreement as specified in FAR 12.212 or DFARS 227.7202, as applicable, except as follows:

(a) Section 5 (Termination) shall not apply. Instead, the parties' rights and obligations to terminate this Agreement, and in the event of such termination, shall be governed by the contract under which the U.S. Government acquired the Software.

(b) Section 12.8 shall not apply. Instead, this Agreement shall be governed by and interpreted in accordance with federal procurement law, and any disputes between the parties shall be resolved in accordance with the contract under which the U.S. Government acquired the Software.

9.2 In the event that any provision of this Agreement is deemed inconsistent with Federal law, such provision shall be deemed severed from this Agreement and replaced with Federal procurement law including, without limitation, any FAR or DFARS clauses incorporated into the contract under which the U.S. Government acquired the Software.

10. **Export Controls.** Licensee agrees to comply fully with all relevant export laws and regulations of the United States, including, but not limited to, the U.S. Export Administration Regulations ("U.S. Export Controls"). Without limiting the generality of the foregoing, Licensee expressly agrees that it shall not, and shall cause its representatives to agree not to, export, directly or indirectly, re-export, divert, or transfer the Software or any direct product thereof to any destination, company, or person restricted or prohibited by any U.S. Export Controls.

11. **Survival.** The duties, rights, and obligations under Sections 2.2, 5.3, 5.4, 7, 8.2, 8.3, 8.4, 10, and 12 shall survive the termination or expiration of this Agreement.

12. **Miscellaneous.**

12.1 The headings used in this Agreement are for convenience only and are not intended to be used as an aid to interpretation.

12.2 This Agreement may be executed in any number of counterparts, each of which shall be considered an original and all of which together shall constitute a single Agreement.

12.3 Neither party shall be responsible for delays or failures in its performance resulting from acts or omissions beyond such party's reasonable control, including acts of nature and any events, acts, or omissions fully attributable to third parties.

12.4 No delay or failure of either party in exercising any right hereunder, nor any partial exercise thereof, shall be deemed a waiver of any rights granted hereunder unless evidenced by a signed writing expressly waiving such right(s).

12.5 Both parties retain their rights at law to control and use their names, symbols, trademarks or service marks, presently existing or later established. Except as permitted by law, no party shall use the other party's name, symbols, trademarks or service marks, or such marks as the other party has rights to, in advertising or promotional materials in connection with the Software, or otherwise in connection with the Software, without the prior written consent of such other party; *provided*, however, that Novetta shall have the right to publicize that Licensee is a user of the Software and to list Licensee on Novetta's standard customer lists. Except as permitted by law, any use by a party, without the approval of the other party, of the name, symbols, trademark or service marks of the other party or of such marks as the other has rights to, shall cease immediately upon the earlier of written notice by such other party or the termination of this Agreement.

12.6 The parties enter this Agreement as, and shall remain, independent contractors with respect to one another. Nothing in this Agreement is designed to create, nor shall create between them, a partnership, joint venture, agency, or employment relationship.

12.7 All notices required or permitted under this Agreement shall be in writing and shall be effective when delivered in person or sent by registered or certified mail, return receipt requested, or by personal courier, to an appropriate officer of the party receiving such notice and at the addresses set forth above, or any more recent address known to the sending party.

12.8 This Agreement shall be governed by and interpreted in accordance with the laws of the Commonwealth of Virginia (without regard to its principles of conflicts of law). The parties consent to the exclusive personal jurisdiction and venue in the state courts located in Fairfax County, Virginia and the United States District Court for the Eastern District of Virginia.

12.9 This Agreement constitutes the entire agreement between the parties with respect to the subject matter hereof. No amendment to this Agreement shall be binding on either party unless such amendment is in writing and signed by both parties to this Agreement. The invalidity

or unenforceability of any terms or provisions of this Agreement shall not affect the validity or enforceability of any other terms or provisions.

IN WITNESS WHEREOF, the parties have caused this Agreement to be executed by their duly authorized representatives.
