To All ESI Customers:

On November 1, ESI announced that a 5% of list price tariff surcharge (for specific products affected by the tariff) would be added to all orders shipping out January 1, 2019 or later.

Effective immediately, there will no longer be a 5% tariff surcharge applied to any products or orders with a January 1, 2019 or later ship date. Any orders that are currently in-house and were scheduled to ship January 1 or later will have the tariff surcharge removed.

Effective January 28th, 2019, ESI will implement a 3% list price increase to all products with the exception of the following, which will not have a price increase:

Kata series monitor arms
Centro privacy/modesty screens
Railway power rail

Any orders that are received and acknowledged before January 28th, 2019 will not be affected by the list price increase.

Please contact Customer Service at 800-833-3746 with any questions you may have.

Thank you for your continued support.
