Notes: Contractor may include other notes regarding the contract update here: (attach another page if necessary).

We have added our "Tap to Talk" mic sets to assist with audio in light of social distancing and mask requirements. We have removed a large number of less-common system configurations due to lack of customer demand. Our 885 line of audio systems has been discontinued due to lack of sales.. (Similar 955s remain available). This is our first price increase since 2018. *See below for additional information regarding the increase.

*Material, freight and import costs have been increasing fairly significantly industry-wide for the last several years and while Lightspeed has managed to limit the exposure to our customers for the last 2 years, that is no longer possible. While it varies some depending on product and configuration, the resulting increase averages out to approximately 4% to offset these increased costs.
