PROMPT DESIGN SUPPORT:

Find personalized service with our Maxon design services team. We provide quick solutions by working with you directly to understand your customers' needs and to help design dynamic work environments on your schedule.

QUALITY RENDERINGS:

Our designers create 3D renderings to bring your projects to life. Simply provide the preferred textiles and finishes with the request or utilize our designers' expertise to create the perfect palette for your customer.

DETAILED AUDITS:

Need your project specifications reviewed before order? Send us your drawing along with a detailed list of parts and our designers will review to ensure the order is specified correctly, saving you valuable time to work on your next Maxon project.

PRODUCT TRAINING:

Our design team is available to provide you with the services you need to include Maxon solutions in your next project. We provide comprehensive product trainings as well as support via webinar, phone, or face-to-face for any additional needs.
