

## PANASONIC ADVANTAGE

Ruggedness and reliability are standard for wireless mobile computing and Panasonic's TOUGHBOOK computers and TOUGHPAD tablets are built to perform in harsh conditions. Through its broad range of integrated business technology solutions, Panasonic empowers professionals to do their best work.

Customers in government, production, education and a wide variety of commercial enterprises, large and small, depend on Panasonic to reach their full potential, achieve a competitive advantage and improve results.

Panasonic is the only major manufacturer that designs, builds and tests its laptops and most components in its own factory. This allows Panasonic to control quality, consistency and parts availability every step of the way.
