TO: All Proposers, Request For Proposals #113102: Pharmaceutical Products, Medical Equipment and Supplies and Related Products and Solutions

FROM: Carolyn Ninedorf, Purchasing Agent

SUBJECT: **ADDENDUM #3**

Questions and answers provided below in response to questions received.

Dane County and Participating Public Agencies (PPA) will follow all applicable federal, state and local laws regarding receipt of pharmaceutical products. It will be up to the successful vendor and the PPA to verify/ensure compliance.

In cases where a licensed pharmacist must be present in order to receive deliveries, the vendor and PPA can work together to ensure compliance.

Vendors wishing to propose minimum order thresholds should do so as part of their RFP responses. Such minimum order thresholds will be evaluated during the evaluation process and final negotiations will be completed during the contracting process with the successful vendor.

Please acknowledge receipt of this addendum by noting “Addendum #3 Received” on the bottom of the Signature Affidavit when you submit your proposal.
