

Region 4 Educational Service Center has awarded thyssenkrupp a cooperative purchasing agreement for New Installation, Modernization, Service and Repair of vertical transportation equipment. The competitively solicited and publicly awarded contract is available to agencies nationwide through the OMNIA Partners, Public Sector (subsidiaries National IPA and U.S. Communities).

thyssenkrupp Elevator is committed to providing quality products and services to participants of OMNIA Partners, Public Sector, who are now eligible to take advantage of the collective purchasing power of industry leading products and services. Additional discounts are available with advance payments at the time of purchase.

What is OMNIA Partners, Public Sector?

OMNIA Partners, Public Sector is the nation's largest and most experienced cooperative purchasing organization dedicated to public sector procurement. Our immense purchasing power and world-class suppliers have produced a comprehensive portfolio of cooperative contracts and partnerships, making OMNIA Partners the most valued and trusted resource for organizations nationwide.

Through the economies of scale created by OMNIA Partners, our participants now have access to an extensive portfolio of competitively solicited and publicly awarded agreements. The lead agency contracting process continues to be the foundation on which we are founded. OMNIA Partners is proud to offer more value and resources to state and local government, higher education, K-12 education and non-profits.

thyssenkrupp Elevator Service

For elevator maintenance, all good service is local and hands-on. But that's only part of it. The rest depends on technology, expertise, parts inventory and support from a powerful organization.

thyssenkrupp Elevator will commit the full resources of the world's most advanced service organization to your elevators. We have 3,500 certified technicians in over 150 branches across North America. Through this system, we guarantee superior benefits:

Increased safety

Our "safety first" culture ensures passenger safety as well as employee safety.

Extended product life cycle

Our technicians protect your investment through proper maintenance. This extends the life of your elevators.

Enhanced product efficiency

Our technicians ensure your elevators operate at peak performance levels while saving energy.
